The City of Covina's Compressed Natural Gas (CNG) fueling station, located at the City's Corporate Yard, 534 N. Barranca Avenue, Covina, CA 91723 has undergone a significant upgrade during the past four months to modernize the station and allow it to meet the significant increase in demand for CNG fuel.

The station is open to all users of CNG fuel, including private cars, fleet vehicles and buses. The station only accepts credit cards as payment with the following cards accepted: Visa, MasterCard, American Express, Discover, Voyager, and Wright Express cards. Station operating hours are Monday-Thursday from 6 am-4:30 pm. For more information on the CNG

fueling station, please contact the Environmental Services Section at (626) 384-5480.
