CrimeReports.com was created to help law enforcement agencies put crime data in the hands of those who care about it the most- the citizens. CrimeReports.com is a crime mapping system that gives our community the opportunity to view crime statistics first-hand, down to the specific neighborhood or block that you live on. In order to find out what's happening in your neighborhood, just enter a Covina street address and click "Get Report."

Javascript is required to view this crime map.
