

Pursuant to the Fair Political Practices Commission (FPPC), which adopted regulation 18944.2, "state and local government agencies are required to disclose payments made to the agency when payments provide a personal benefit to an official of the agency. Examples may include travel, meals, and other benefits. Under certain circumstances, these payments will not result in a gift to the official, but will be considered a gift to the agency."

The City of Covina has not received a public benefit as defined by regulation 18944.2 and there are no reports available at this time.
