

**Mission Statement:** The Streets and Sewers Division is committed to ensuring a safe and healthy city by providing accessible streets; quality maintenance of the city's roadway infrastructure; efficient sanitary sewer maintenance; along with right-of-way litter and abandoned item removal.

The Street Maintenance Section is responsible for maintaining 34 miles of arterial roadways, 82 miles of residential roadways, 240 miles of curb and gutter, over 9,000 street trees, nearly 4,000 traffic signs (800 of which are classified as critical), and over 1 million square feet of sidewalk, as well as more than 50 signalized intersections.

### Activities

The Streets & Sewers Division maintains the public right-of-way and sanitary sewer system plus provides and oversees other services, including:

- [Graffiti Removal](#)
- Sidewalk issues
- Tree and landscape maintenance in the public right-of-way
- Pot holes
- Pavement marking
- Signs posted on the public right-of-way
