

Graffiti Removal

Graffiti removal on private property is the responsibility of the property owner and should be removed promptly.

To report graffiti in public rights-of-way within the Covina City limits, [click here](#) , or call (626) 384-5599. Please provide the following information:

1. The address where the graffiti is located - For example, "125 E College St." or "At the intersection of Citrus and College."
2. The location of the graffiti (be as detailed as possible) - Such as, "On the south-west block wall," or "On the stop sign facing east."
3. Your phone number - This information is needed in case the graffiti removal staff needs more information. For graffiti left on private properties or those not owned or maintained by the city, the list below serves as a guide for the proper agency to contact:
