Animal License Canvassing Efforts in City of Covina

Officers from the Department of Animal Care and Control (DACC) will be in the City of Covina beginning April and May 2013, checking for documentation of current rabies vaccinations, and ensuring residents are in compliance with licensing requirements. Securing a dog license is an important part of identification and can assist animal control agencies if your pet becomes lost.

City of Covina pet owners are advised to be in compliance with licensing requirements. The licensing fees for City residents are as follows:

- Unaltered dog- \$60

- Altered dog- \$20
- Altered dog belonging to a senior citizen (60+)- \$7.50
- Penalty fee- An additional charge, equal to the license fee

Residents who are not in compliance will be subject to license fees and delinquency charges, including a \$40 field enforcement fee, to offset the cost of the Department's field services. In order to avoid penalties, be sure to license your dog. You can secure a new dog license by printing the application online at <http://animalcare.lacounty.gov> , or visiting your local County animal care center. If your license is not delinquent, you can also renew it through the Internet. DACC offers low cost vaccination clinics and low cost assistance (for individuals who qualify) for spay and neuter surgeries. Please visit the website <http://animalcare.lacounty.gov> or stop by your local County animal care center for more information about these services.
